REQUEST FOR STATUS

Sir:

The captioned patent application was filed on February 22, 2002. Since then, Applicants have not received an action on the merits of the application. A Request For Status was filed on September 8, 2003. Since no response to the Request For Status was received, a second Request For Status was filed on March 18, 2004. A response to the second request indicated an action by the Examiner could be expected by October 7, 2004. However, since an action by the Examiner was not received by that date, Applicants respectfully request a communication from the Patent and Trademark Office concerning the status of the application.

Respectfully submitted,
